

8th

Wetland Link International (WLI) – Asia Conference: Part 2

26-29 July 2022
Manila, Philippines

Asia

Las Piñas-Parañaque Wetland Park

The WLI-Asia Conference provides a venue for members of WLI-Asia, including managers and stakeholders of wetland centers, to regularly convene, share updated information, and discuss planned activities for the network.

The 8th WLI-Asia Conference Part 1 was successfully organized virtually with the theme of Healing with nature: wetlands and wetland centers in focus in November 2021.

The 8th WLI-Asia Conference Part 2 will be organized as a face-to-face meeting in Manila, Philippines by Ramsar Regional Center – East Asia and Society for the Conservation of Philippine Wetlands in cooperation with the Las Piñas-Parañaque Wetland Park.

Target participants

Participants to the event shall be the managers from 59 WLI-Asia members (wetland centers). Non-members are welcome to join the event and are encouraged to join WLI-Asia through this opportunity.

Program (provisional)

- Day 1 (26 July) Opening and learning session
- Day 2 (27 July) Learning session
- Day 3 (28 July) Field trip (Las Piñas-Parañaque Wetland Park)
- Day 4 (29 July) WLI-Asia general assembly, Closing
